Important Information for ANTHROPOLOGISTS

3 THINGS YOU MIGHT NOT KNOW About Earning a Degree in Anthropology

The median annual wage for anthropologists was

\$57,420

in May 2012.

1

Employment of anthropologists is projected to increase **19%** from 2012 to 2022, which is faster than average for all occupations

2

Anthropology and archeology students typically spend part of their graduate program conducting field research, often working abroad or in community-based research. Many students also attend archeological field schools, which teach students how to excavate historical and archeological sites and how to record and interpret their findings and data .
